

Jasper Engineering & Equipment Company

**Offering Service, Calibration
and Repairs on your
Instrumentation Equipment.**

Perry can install, program and start up all manufacturers' instrumentation products.

Kay can schedule your service visit.
Email her at:
kcmidura@jaspereng.com

Tyra can issue RMA#'s for warranty & non-warranty repairs.
Email her at:
tlbrosseau@jaspereng.com

We offer **installation, start-up and on-site repair service** on most manufacturers' Instrumentation equipment. Our factory trained staff is available **24 hours a day, 7 days a week**. Service contracts are available for long term, ongoing maintenance.

Plant shutdowns can be costly, so our **contract programs** can save you a lot of time and money long term.
