## MECHANICAL EQUIPMENT FOR THE AGGREGATE INDUSTRY

### CRUSHING

- Crusher technology
- Raptor Gyratory crushers

### POWER TRANSMISSION

- Motorized pulleys
- Gear box repair for all manufacturers
- Jasper motorized pulley repair shop
- Gearing
- Gear boxes
- Bearing protection devices

### WEAR & IMPACT PROTECTION

- Inflatable chute liners
- Screening media solutions
- Truck bed liners
- Jasper Linatex applicator shop
- Rubber—ceramic liners
- Double—tapered Grizzly Bars

### SPECIALTY ENGINEERED LUBRICANTS

- EP Gear Oils
- Pin/ Bushing Lube
- Open Gear Lube
- EP Grease Products
- Spider Bushing Lube

### DUST SUPPRESSION SYSTEMS

- Dry fog
- Dust tamer wind fence
- Water spray systems
- Complete system design

### LUBRICATION PARTS, PUMPS & SYSTEMS

- Point lubricators
- Dividing valves
- Central lube systems
- Lube pumps
- Controllers & injectors
- Jasper lube pump repair shop
- Lubrication design & audit services

### PUMPS, HOSE & VALVES

- Slurry pumps
- Severe Duty Knife Gate
- Jasper Pump Repair Shop
- Process Water Pumps
- Slurry Hose
- Pump System Analysis/ Engineering Support
